This new residential complex of 74 units consisting of 2 and 3 bedroom apartments. All apartments are built and furnished with high-quality materials. The common areas with pools for adults and children and gardens offer great comfort and relaxation. The apartments in the complex have 2 bathrooms, an open kitchen and a living/dining room. The living area offers plenty of light thanks to the large window front and is extended by spacious terraces. The equipment of these apartments includes, among other things, double glazing, security doors in...

**Beautiful apartment complex in the heart of Javea just a few minutes from the beach**
